ANNUAL ALUMNI REPORT: 2019-20

The Annual Alumni Meet of SEICOM Degree College took place on August 18, 2019, on the college campus, serving as a vibrant platform for alumni to reconnect, share their experiences, and contribute to the ongoing development of the institution. This year's theme, "Together We Thrive," beautifully encapsulated the college's commitment to fostering a strong and supportive alumni network.

The event commenced with an opening ceremony led by the Principal, Dr. T. Surendranatha Reddy. In his welcoming address, Dr. Reddy expressed heartfelt gratitude to the alumni for their continued support and involvement with the college. He emphasized the crucial role that alumni play in the growth and development of SEICOM, highlighting how their achievements reflect the institution's legacy and values. His words resonated with the attendees, setting a positive and collaborative tone for the day. A standout moment of the meet was the keynote address delivered by N. Venkatesh, a prominent alumna known for her impactful contributions in her field. She shared her inspiring journey post-graduation, candidly discussing the challenges she faced and the valuable lessons learned along the way. Her story of perseverance and success resonated deeply with many attendees, motivating them to pursue their aspirations with renewed vigor. Venkatesh's insights not only inspired fellow alumni but also served as a guiding light for current students, illustrating the potential pathways available to them after graduation.

Following the keynote address, an interactive panel discussion took place, featuring a diverse group of distinguished alumni from various fields, including education, healthcare, and technology. The panelists engaged in a lively discussion about the role of education in shaping their careers and the importance of giving back to the community. This session encouraged active participation from the audience, with many attendees posing questions and sharing their thoughts. The exchange of ideas fostered a sense of camaraderie and collaboration, reinforcing the theme of thriving together.

A dedicated networking session allowed alumni to reconnect with former classmates and faculty members. This informal gathering provided a relaxed atmosphere where attendees could exchange contact information, share updates about their professional journeys, and discuss potential collaborations. The networking session was a highlight for many, as it rekindled old friendships and strengthened the bonds within the SEICOM community.

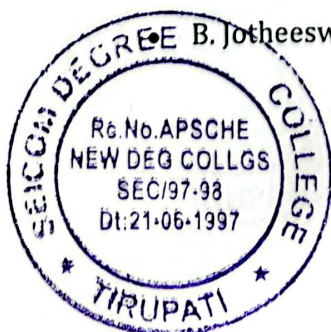

In addition to reconnecting with each other, alumni took the opportunity to interact with current students, providing valuable career advice regarding higher education and placements. They answered students' questions about current job opportunities and shared tips on how to prepare for aptitude and technical interviews. This interaction not only benefited the students but also allowed alumni to give back to the institution that played a pivotal role in their own journeys.

As the event drew to a close, G. Monika, a member of the alumni association, delivered the vote of thanks. She expressed her appreciation for the efforts of the event organizers and the alumni members who contributed to the success of the meet. Monika also extended her gratitude to the SEICOM Degree College administration for their unwavering support and guidance, which were instrumental in making the Alumni Meet 2019 a resounding success.

The Annual Alumni Meet 2019 at SEICOM Degree College was more than just a gathering; it was a celebration of community, growth, and shared aspirations. By fostering connections between alumni and the college, the event reinforced the importance of collaboration and support in building a brighter future. As attendees left the venue, they carried with them not only memories of the day but also a renewed sense of belonging and commitment to their alma mater. The meet served as a powerful reminder that together, as a united community, they can thrive and continue to make meaningful contributions to society and the institution they cherish.
