The Annual Alumni Meet of SEICOM Degree College took place on September 9, 2021, at the esteemed Hotel Fortune Kences. This year's event held particular significance as it marked a momentous return to in-person gatherings following the challenges posed by the COVID-19 pandemic. The theme for the meet, "Reconnecting for a Brighter Future," emphasized the vital role of alumni networks in fostering growth, collaboration, and community spirit.

The event commenced with a warm and heartfelt welcome address from the Principal, Dr. T. Surendranatha Reddy. The meet featured a compelling panel discussion titled "Lessons Learned: Alumni Experiences during the Pandemic," which brought together several alumni who shared their personal stories of adaptation and success during these challenging times. The panelists discussed various topics, including how they navigated the challenges of remote work, managed their mental health, and maintained professional relationships amid uncertainty.

The discussion fostered an open dialogue, allowing attendees to engage with the panelists and ask questions about their experiences. The alumni shared practical tips and insights, emphasizing the importance of resilience, flexibility, and maintaining connections even when physical interactions were limited.
