## Indoor Sports Facilities and Activities

The college recognizes the importance of indoor sports in fostering strategic thinking, mental agility, and concentration. To support these objectives, SEICOM Degree College offers:

**Badminton:** A dedicated indoor court for badminton players, encouraging participation and skill development.

1. **Chess:** Facilities for chess tournaments and practice sessions to enhance students' critical thinking and problem-solving skills.
2. **Carrom and Table Tennis:** Well-maintained spaces for recreational games that improve hand-eye coordination and focus.

Indoor sports tournaments are frequently organized, providing a platform for students to showcase their talents and compete with peers. The emphasis on indoor games ensures year-round engagement, regardless of weather conditions.

## Outdoor Sports Facilities and Activities

Outdoor sports form a crucial part of the sports ecosystem at SEICOM Degree College, promoting teamwork, physical fitness, and perseverance. The college offers excellent infrastructure for the following activities:

1. **Cricket:** A well-maintained cricket ground with ample facilities for practice and matches, enabling students to compete at inter-college, university, and state levels.
2. **Football and Volleyball:** Dedicated grounds and courts for football and volleyball, fostering team spirit and physical endurance.
3. **Kabaddi:** Specific zones for kabaddi training and tournaments, encouraging participation in this traditional sport.
4. **Athletics:** Tracks and fields for athletic events, including sprints, jumps, and throws, with regular coaching to refine students' techniques.
5. **Handball and Taekwondo:** Additional facilities for these sports ensure a diverse range of activities, catering to students with varied athletic interests.

Regular intercollegiate tournaments, intramural sports events, and practice sessions are conducted, offering students numerous opportunities to compete and excel.

## Recognition and Awards

The achievements of SEICOM Degree College students in sports have brought widespread recognition:

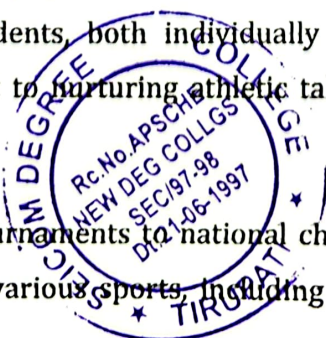

- **Medals and Trophies:** Students have consistently won gold, silver, and bronze medals in their respective sports.
- **National and State-Level Participation:** Many students have represented the college at national and state championships, making a mark with their performances.
- **E-Certificates and Honors:** Participants in various events have been awarded certificates of excellence, boosting their morale and career prospects.

## Conclusion

SEICOM Degree College has established itself as a hub of sporting excellence, fostering a culture that prioritizes physical fitness, teamwork, and competitive spirit. The achievements of its students, both individually and as teams, reflect the college's unwavering commitment to nurturing athletic talent and providing opportunities for growth and recognition.

From university-level tournaments to national championships, SEICOM students have consistently excelled in various sports, including cricket, tennis, badminton, kabaddi, athletics, and boxing.
